Reps can reach out if they have questions on rostered players and membership status. Payouts for 50%/75% rostered players for each sport

Concessions: Need a team for Saturday - JV/Varsity game (Verify with Courtney which game). Have the post season games ready but will wait till all season games are filled. Will get Spring concession out soon.

Big Ask: We need help! In concessions. If anyone is willing to step up to help with opening/closing of concessions. We would like to have enough help from off season reps so no one feels pressure to miss a game. But if you happen to have a outside fall sport and would be willing to open/close that outside fall sport that would work too.

Spirit shop: We will be open at all home varsity basketball games. Re-Hawk shop getting ready to take off. We are collecting gently used East apparel. Instead of donating to good will or throwing it out. Send it to us and we can determine the use or donate it to our school closet to our kids in need.

Fundraising:

- Gametime Radio Ads are up and running, Check them out at the games both inside and outside. This is a clean family friendly radio station and we are able to sell ad space to help of set the cost for the subscription. From the Bash sponsors those ads should be up and running. Chuy's ad is a great one
